Dear Clients,

We have compiled these awesome ABCs of the Bible. Sometimes we have to go back to the basics and back to the fundamentals of reading, learning and studying the Bible. Enjoy these awesome study concepts to help you plan, learn, study and stay organized. When we read and study our Bible, it's always for us to gain wisdom, knowledge, clarity, understanding, discernment, instructions on living righteous, for correction and for us to know that the Bible is an inspiration of God.

Please enjoy, print, laminate and cut as many as you'd like to create your own personal collection of Bible ABCs. Also, visit the different websites on each sheet to gain more information and other Bible studying materials.

Sincerely,

Daphnie Newman Boudy, M.Ed.
